The Feast of St. James, the Apostle

Dear Friends in Christ,

St. James, sometimes called the “Major” or the “Greater,” called by Jesus one of the “Sons of Thunder”—the other being his brother John—both being sons of Zebedee, is a good example of the adage, “Be careful of what you ask for.” One of the gospel narratives have their mother asking Jesus to place her sons one on his right hand and one on his left hand. Another gospel narrative has the two brothers arguing with the other disciples about which one of them is the greatest. “Be careful of what you ask for.” And so James became St. James the Greater because he was the first of the twelve disciples to suffer martyrdom in Jerusalem—beheaded before Passover on the order of King Herod Agrippa I in 42 AD. There just are some things in which you do not want to be first and greatest!

In June the Rev. Canon Carrie Schofield-Broadbent invited the Vestry and All Saints’ to take a “Super Big Dive” into the Learning Community Initiatives and practices and invite everyone in the parish to be part of it and the Vestry accepted the invitation. In other words, deeply diving into the questions:

- What might God be up to in our lives, at All Saints’, in Johnson City?
- What might God be saying to us?
- How do we sense God’s presence in our daily lives, in our workplaces and in our neighborhood?
- What does God care about in our local community?
- How might God be leading our congregation to join in something God is already doing?

How do we work these questions?

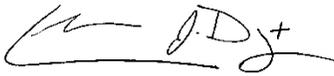

- By “Dwelling in the Word” with a willingness to be shaped by what God might want to say through Scripture.
- By listening well to one another’s story and as we listen increase our capacity to hear what God might be saying to us.
- By naming God’s activity, “God Sightings”—reflecting where God might have been present in the midst of our experiences gives us a chance to join with what God is presently inviting us into.

Then once our listening is well-tuned to take as a next step “action learning experiments” that are designed to help the parish “behave our way into new thinking.”

What might this look like? Take a peek at the bulletin board in the Narthex for a start, look at the pictures of God Sightings, then...

- Join the “Dwelling in the Word” Bible Study Sunday’s at 9 am in the Library;
- Look at the “Prayer Scarves” written in the past and at Carousel Day 2019 on the trellis in the Narthex;
- Use “Dwelling in the Word” with the Gospel lessons twice in July and once August in lieu of homily;
- Do Listening to Others (conversation/interview) in lieu of homily in August;
- Try doing “Prayer Scarves” at All Saints’/Christ Church Picnic;
- Take a Neighborhood Walk for “God Sightings” after church, take photos, etc;
- Walk the Neighborhood, take photos of God Sightings and invite neighborhood to the All Saints’ Community Picnic September 8<sup>th</sup>;
- Share the God Sightings from Carousel Day and the Neighborhood Walk;
- At All Saints’ Community Picnic make “Prayer Scarves” and practice “Listening to Others;”
- Sharing all of the above!

Faithfully yours,

The Very Rev. Christine J. Day, Rector

**The following was submitted by a member of the Learning Community Initiative and ties to the Rector’s report above.**

At the beginning of the year, we were faced with the reality that we weren’t going to have enough money to bring us through the year.

Fear struck most of us in the heart, thinking our church wouldn’t be around long if things didn’t change. Fear takes you to your core, to your fight or flight. We go into survival mode and to what we know.

Some of us know business and figures and look there for answers.

Some of us struggle in families and know what works there. Some treat church like a business, and some treat church like a family.

There is nothing scarier than facts and figures and there is nothing fiercer than a person protecting their family. We need to work together and find common ground. We need each other.

**BOOK CLUB TO MEET THURSDAY, AUGUST 22<sup>nd</sup>  
AT 5:30 PM AT THE RECTORY:  
READING BARBARA BROWN TAYLOR’S *HOLY ENVY***

The Book Club will meet on Thursday, August 22<sup>nd</sup> at 5:30 pm at the Rectory. Having finished Sarah Smarsh’s memoir, *Heartland: A Memoir of Working Hard and Being Broke in the Richest Country on Earth* at the July meeting, the Book Club is beginning, Barbara Brown Taylor’s *Holy Envy: Finding God in the Faith of Others*. In *Holy Envy* Barbara Brown Taylor weaves stories from her college classroom in rural Georgia with reflections on how her own spiritual journey has been complicated and renewed by connecting with people of other traditions—even those whose truths are quite different from hers. The one constant is the sense that God is calling her to change her version of God, a change that ultimately enriches her faith in other human beings and in God.

**LIFE GOES ON MEETING FOR AUGUST 21<sup>ST</sup>**

These meetings will have their location announced in church as locations were not available at time of going to press for *Crossways*. For August the meeting will be at Green Brothers Apple Farm. If you are planning to attend, please phone Arlene Foley at 797-2111 or Eileen Patch at 754-2372 to aid in planning the group’s reservation. Meetings are usually the third Wednesday of the month.

## **FREQUENTLY ASKED QUESTIONS: LEARNING COMMUNITY INITIATIVES**

### **What's it All About?**

The parish will be discerning All Saints' unique answer to this question: **“When you consider the gifts you have been given and the needs of our world, what future do you imagine God is bringing forth in our midst?”** The answer needs to come from Christ and our willingness to ask hard questions and listen for answers, as well as our ability to take risks, secure in our standing in Christ.

### **Learning Community Initiative is Not a Program**

The Learning Community Initiative (LCI) is a process not a cookie-cutter program. A program is where one is train the do A, B, and C and the end result will be X. The Learning Community Initiative does not have a predictable end result. Instead the LCI invites one to learn to listen deeply to God in Scripture in community, to listen deeply to others in the parish and in the community and to try experiments to explore where the Spirit might be nudging us individually and as a community of faith.

### **What is a Learning Community?**

A learning community is a group of congregations who commit to one another in a learning experience. Through prayer, skill-building, action and reflection they address their most pressing questions about the future. The experience includes the LCI Team attending three Saturday workshops and ongoing coaching calls with diocesan leaders.

### **How will my congregation benefit?**

- Train effective lay spiritual leaders through workshops and coaching.
- Learn to discern and respond to God's leading.
- Deepen your congregation's spirituality.
- Build connections with other congregations.
- Engage and inspire your membership.
- Affirm your faith that God has a vital role for your congregation to play.

### **What will we be doing together?**

We will be listening deeply, reflecting and sharing.

### **Insightful Leadership: Begin by Asking Different Questions**

This first process helps equip participants to listen to God in their local contexts. Participants will dwell in Scripture together (Dwelling in the Word), share stories about what God is doing in their lives and the life of their local church (Listening to Others, Conversations with Others), and notice where God might be at work in their everyday lives (God Sightings). The goal for these practices is to help the participants begin to answer the question, “What might God be up to?”

## Learn by Doing: Using Action Learning to Discover God's Leading

The second process will focus on helping participants use action learning to deepen their exploration of what they think God might be up to. The idea is to help participants “behave their way into new thinking,” rather than only trying to think their way into new behaviors. Participants will be given simple “action learning experiments” to try with others in their congregation. An example of one of these action learning experiments is the making of “Prayer Scarves” with others in our community.

## Sharing Our Learning: Intentional Reflection on Our Actions

The third process will focus on learning to share what we've learned from the action learning experiments we did over the summer. Action learning requires intentional reflection on what was done so we can see what God might be teaching us!

## ALL SAINTS' & CHRIST CHURCH PICNIC SUNDAY, AUGUST 25th AT LOWER HIGHLAND FOREST BE THERE OR BE SQUARE!

All Saints' and Christ Church will once again be worshipping and picnicking together on Sunday, August 25th in the Lower Highland Park. The concelebrated Eucharist—Mother Elizabeth Ewing, Mother Chris Day, Father Jim Jones—will begin at 10 am and the picnic will follow. Hot dogs and hamburgers will be provided. (Matt Labosky has offered to bring the large grill upon which to cook! (Thank you Matt!) Please bring a dish to pass and beverages. Sign-up in the Narthex.

Town of Union pool in Highland Park is nearby, but one must bring ID and there are fees for residents and non-residents (\$1-\$4).

If you have any questions, please call church office. (797-3354).

## INTERFAITH PANEL- PEACE AND ACCEPTANCE: SUNDAY, SEPTEMBER 22<sup>ND</sup> 2-4:00 PM AT CENTRAL UNITED METHODIST CHURCH, ENDICOTT

Fellowship leads to peace like seeds lead to fruit. The Bridge to Faith Interfaith group, originally started by St Paul's Episcopal Church, the Ahmadiyya Mosque, and All

Saints', has grown since the first event held at All Saints. This is a wonderful thing which brings much hope to our community. A second event will be held September 22nd from 2:00 PM-4:00 PM at Central United Methodist Church in Endicott.

A panel comprised of a representative from the Christian, Jewish, and Muslim faiths will be speaking on Peace and Acceptance. This will be followed by a social time including light refreshments.

Please join us, and don't hesitate to bring a friend. All are welcome and encouraged to come.

*Debbie Thorpe*

## New Section Starting this month: Market Place

The following was requested by David Pierce and approved by Tom Johnson and Mother Chris for inclusion.

Remember when All Saints church woman's group used to do an annual Rummage Sale? Everyone would bring in their unwanted or no-longer needed items from kids clothing, adult clothing, kitchen items, household items, lawn mowers and so on for this sale. The ladies would spend days setting up and on the day of the even offered a light lunch. They would work all day Saturday to sell everything, and in the end always have stuff leftover to dispose of. Well those days are gone, but we have the ability with our newsletter to connect people of our parish and beyond with information on these products and deals.

What I am talking about is a Market place section in our *Crossways* to list items to give away, barter, sell for a few dollars or ask for whatever.

This could be noted as Fr=Free, Tr=Trade, \$, \$\$, Mkt=Market Now. This is basically a way to connect to people in the Parish to whom you already may know or have said hello. Maybe you are downsizing your home and have a need to get rid of stuff, or your child has outgrown their shoes or sneakers. This is another ministry to give a helping hand and to help yourself as well. Along with your name, be clear and briefly descriptive of your items as possible. We hope this new offering will be beneficial to all who participate.

Please send your items to [garyz2353@aol.com](mailto:garyz2353@aol.com) for publishing in the time frame he sets. Remember he and the office have nothing to do with your exchange. It will be between the buyer/trader and seller/trader only.

The following is an actual entry to provide specifics to assist everyone submit:

**SAVE THE DATE**  
**ALL SAINTS' COMMUNITY & WELCOME BACK PICNIC**  
**SUNDAY, SEPTEMBER 8th CIRCA 11:30 AM**

Last year's 100th Anniversary Community Picnic was such a success, that we've decided to do it again in 2019. Invite the neighborhood and parish for hot dogs, hamburgers, salt potatoes, coleslaw, cake (yum!), bubbles, corn hole and prayer scarves! Obviously 101st Anniversary doesn't have much of a ring to it so it's just the All Saints' Community & Welcome Back Picnic on Sunday, September 8th after the 10 am celebration of Holy Eucharist.

Warden Joy Kasmarcik is coordinating the picnic with the help of the Learning Community Initiatives team and vestry. Invitations to the neighborhood will be done door-to-door one to two weeks before the picnic. Want to help out? Call or e-mail Joy Kasmarcik (585-285-0013 or [JKasmarcik@stny.rr.com](mailto:JKasmarcik@stny.rr.com) ).

**CHOW WALK OCTOBER 6<sup>TH</sup>**

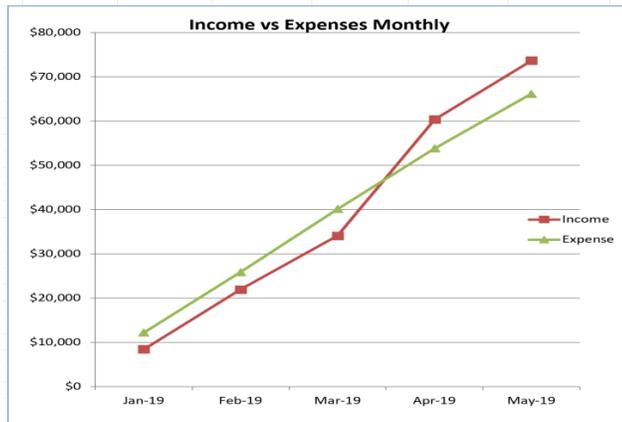

Linda Barkman will be participating in the CHOW walk October 6th. It is being held at Otsiningo Park this year. Registration is a 1:00 pm with the walk starts at 2:00 pm. If anyone is interested in walking, see Linda. If you would like to sponsor Linda or anyone else walking, she will take your pledge and walk for you.

Also there has been a significant drop in contributions of CHOW items. Please reconsider to determine if you can supply CHOW items as listed in the weekly announcements. Thank you.

To the Clergy, Wardens, and Vestry  
of St. Mark's Episcopal Church, Chenango Bridge  
and St. David's Episcopal Church, DeWitt

Dear friends,

I am writing to inform you that a lawsuit was filed this week against the Episcopal Diocese of Los Angeles. The suit contains allegations of sexual misconduct by the Rev. Paul Kowalewski, a priest who served in our diocese from 1990 to 2005. The abuse is alleged to have taken place in Buffalo in the 1970s, when the Rev. Kowalewski was preparing to be a priest in the Roman Catholic Church. Media have also reported that an additional lawsuit may be filed against the Roman Catholic Diocese of Buffalo, alleging that the Rev. Kowalewski sexually abused a minor, also in the 1970s.

There is no record of any allegations of sexual misconduct against Kowalewski during his tenure in our Diocese of Central New York. The Rev. Kowalewski was received as a priest in The Episcopal Church by the Diocese of Central New York in 1990. He served as the rector of St. Mark's Episcopal Church, Chenango Bridge (July 1990 to August 1993), rector of St. David's Episcopal Church, DeWitt (September 1993 to January 2002), Dean of the Diocesan School for Ministry (September 1999 to January 2002), and as Canon Visionary for the Diocese (January 2002 to September 2005). He is currently canonically resident in the Episcopal Diocese of Los Angeles and has been suspended from ministry by the bishop of that diocese pending an investigation of these complaints.

The Episcopal Diocese of Central New York takes clergy misconduct complaints very seriously and we are committed to ensuring the safety of all people in our congregations and diocesan programs. We

cooperate fully with civil authorities in all investigations related to criminal sexual misconduct, and require all clergy, church employees, and volunteers to participate in Safe Church training to protect children and adults from sexual abuse and misconduct.

Our diocesan Safe Church policies are available at [cnyepiscopal.org/safechurch](http://cnyepiscopal.org/safechurch). If you or anyone you know is aware of any violation of these policies, including any violation related to the allegations against the Rev. Kowalewski, there is a process in place to support you and to investigate and respond to clergy misconduct complaints. I encourage you to contact any of our three diocesan Intake Officers:

The Rev. Georgina Hegney: (315) 439-3421 or [georgina.hegney@gmail.com](mailto:georgina.hegney@gmail.com)  
Mr. Lawrence Mathews: (315) 760-2773 or [larrypmathews@juno.com](mailto:larrypmathews@juno.com)  
Dr. Jack Wohlers: (315) 415-0768 or [jhwohlers2@gmail.com](mailto:jhwohlers2@gmail.com)

In addition to our Intake Officers, who handle clergy misconduct complaints in accordance with the canons of The Episcopal Church, we also have a Pastoral Care Team of professional clinicians. They are available to provide counseling and pastoral care to victims of sexual abuse and misconduct at no cost. Any of our three Intake Officers can make a referral to this team.

Our commitment to Jesus' Way of Love is reflected in all that we do, especially in the sacred work of safeguarding the most vulnerable members of our community. Please join me in praying for all who have been affected by sexual abuse, exploitation, or harassment in our Church. Please pray also for our diocesan leaders as we work to respond to this suffering. Working together, may we truly establish a safe and healthy church.

Faithfully,

The Rt. Rev. Dr. DeDe Duncan-Probe  
Bishop of Central New York

A police officer noticed a car driving 15 mph on a busy highway. He stopped the car and found a small, elderly nun driving. He asked her what was wrong, and she said, "I'm just driving the speed limit."

"That is the highway number, not the speed limit," the officer said. He looked in the back seat and saw three other nuns bent over in prayer. "What's wrong, sisters?" he asked.

"We just got off Highway 110," one sister said.

A friend was accompanying his 8-year-old daughter who was selling cookies door-to-door for the Girl Scouts.

After visiting several homes, she commented on the different styles of doorbells: some buzzed, some rang, some warbled. They made a game of guessing what the next bell would sound like.

At the precise moment she touched the doorbell at one house, the church tower began to chime. She wheeled around with a look of amazement, saying, "Now that's a doorbell!"

### The Final Word

***“What is Faith? It is the confident assurance that what we hope for is going to happen. Faith gives us hope.”***  
**Hebrews 11:1**

“Faith is more than just believing; it is trusting our very lives to what we believe. For example, we can believe that someone can walk across a deep gorge on a tightrope. But are we willing to trust that person to carry us across? Faith says yes. Faith in God says that we are willing to trust God with our very lives. We are willing to follow his guidelines for living as outlined in the Bible because we have the conviction that this will be best for us. We are even willing to endure ridicule and persecution for our faith because we are so sure that what we believe is true and that the Christian life is what is best for us eternally.” NLT - GZ
